

Law Enforcement Officers Flying Armed

The below link will take users to NLETS. In the search box type "flying armed" this will take users to hyperlinks for instructions on sending a DCIN Administrative Message to US Air Marshalls

After sending an Administrative Message users will receive a confirmation from US Air Marshalls with a code to be used by the individual flying armed

Only send one transaction multiple transactions can result in person flying armed a delay going through security

Any questions can be directed to US Air Marshalls
