Updated SORTS Address (Sex Offender Registration Portal)

<https://ncsexoffenderportal.ncsbi.gov>

To log in to this system, **users will need to use their DCI user name and password**. Then choose your agency from the select list, and then click the “Log-In” button. Keep in mind, this portal is currently for use by those individuals who are currently responsible for registering sex offenders/maintaining sex offender files, and, because of this, **only those individuals who are certified in Module 5 (Sex Offender Registration) will be able to access the portal**.

Background: In the spring of 2011 the North Carolina General Assembly passed House Bill 219, which required sheriff's offices in North Carolina to capture the name of a convicted sexual offender at the time of conviction and the name at the time of sentencing. In response to this, the SBI has updated the Sex Offender Image Retrieval Tool (SORT) to include a new feature, the Offense Name Tracking tool (ONTrack).

Questions regarding the portal should be directed the Sex Offender Coordination Unit:
