AOC Access Migration to Odyssey Platform

Currently, DCIN users certified in Module 2 can access the North Carolina Administrative Office of the Courts (AOC) through Omnixx. The AOC transactions will be migrating to the AOC Odyssey Portal beginning in February 2023.

Pertinent Info:

AOC will initiate this process with a systematic rollout across North Carolina. Track 1 (Pilot) agencies will include Harnett, Johnston, Lee, and Wake Counties. Track 2 will be Mecklenburg County approximately 60-90 days after Track 1. **Data previously available for those counties through AOC queries in DCIN will only be available through the Odyssey portal or CJLEADS at that time.**

It is important to note that the AOC Odyssey Portal may be the best access for live data since CJLEADS may experience a delay in receiving data from AOC. Follow this link: [Odyssey Portal](#) and click on "Register" in the top right of page. You may also contact AOC at (919) 890 – 2407. You will be requesting "Elevated Access". Agency personnel cannot request elevated access until Feb. 13th. Law enforcement requests for elevated access will be given top priority by AOC.

To request CJLEADS access, please visit this link: [CJLEADS](#) or call: (919) 754 – 6949.

All AOC transactions in DCIN will have information regarding this change as well as all form help within the transactions (QACD, QACR, QACI, and QACS).
